Coto de Caza, CA

Fr. Matthew Habiger,  
O.S.B., Ph.D.

Brian Murphy, Ph.D.  
Chairman  
God's Plan for Life

- Essential issues that are the root-cause of abortion and the Culture of Death, such as the fallacy of "birth control" and the myth of over-population, are rationally discussed.
- The true causes of poverty and prosperity are analyzed and explained.
- Several vital strategies that the laity and clergy can use to promote a Culture of Life are fully outlined.
